

Rebecca Scott CPC CPCO CPB CPPM

Rebecca L. Scott is a Certified Professional Coder, Certified Professional Compliance Officer, Certified Professional Biller, and Certified Professional Practice Manager, who began her chiropractic career over 35 years ago. She has an Associate's Degree in Accounting and is a Licensed Clinical Chiropractic Assistant in the State of Maine. She's a member of the Lewiston Chapter of the American Association of Professional Coders (AAPC) and is a certified specialist working in curriculum development and individual client consultant for KMC University.

She began her Chiropractic Career as a file clerk and worked her way up to Team Leader. She specializes in Accounts Receivable and insurance billing.

Chiropractic is her passion, and she loves being a part of a profession that helps people have a better quality of life.

She lives in Western Maine with her husband. She has a grown son that is her pride and joy and an amazing Granddaughter Quinn.
